Liscence Carte Neige (FFS)- What Activities are Guaranteed / Insured?

Options Primo & Medium insured cover in case of personal injury occurring anywhere in the world, because of the practice as an amateur of the following:

- skiing in all its forms, including, without this list being exhaustive: Alpine skiing, cross-country skiing, biathlon, ski jumping, Nordic combined, freestyle skiing, snowboarding, telemark, speed skiing, grass skiing, rollerski, cross-country skiing, snowshoeing,
- hiking, including raids and **mountain biking**. Individual practice of these activities are limited to within Europe.

The performance of other activities within the federal framework, although they do not directly fall within the field of sports, including:
the physical activities under the control or supervision of the FFS, its Regional Committees, its clubs or any other person appointed by it, except contractual exclusions.
sports and other activities organized collectively by and under the responsibility of an association or an affiliate of the FFS, except contractual exclusions (see summary of Insurance Coverage and Support) group.
In any case, participation in official competition organized under the auspices of a sports federation other than ski federation is guaranteed.

Cover options:
Note that Option Primo is sufficient to enter the race, although this will not include repatriation assistance (the costs incurred to arrange transport back to your home country in the event that you are unable to travel without medical assistance, or you miss your original homebound travel plans due to an accident).
